

RED CROSS DAY

SPECIAL ASSEMBLY(PRIMARY DEPARTMENT)

TOGETHER FOR HUMANITY

Every year 8th of May is celebrated as World Red Cross day to honour the International Red Cross Crescent Movement's founder **Mr. Henry Dunant** who was born on this day in 1828.

To inculcate the value of **Humanity** amongst the younger generation, a special assembly was organised and conducted by the students of classes P5A and P5C. They highlighted the importance of this day by sharing information about this day and how the volunteers of Red Cross Society work relentlessly and selflessly for the upliftment of humanity.

Dressed in red and white suits, the students took pledge to help each other and sang a beautiful group song based on the theme 'Humanity'. Various situations such as dog bite, nose bleeding, etc. were depicted in the form of skits focussing on the steps that needs to be taken during such circumstances. It was a very informative session! A first-aid box prepared by the students was shown to the audience emphasizing on the items that needs to be there in case of emergency. The assembly concluded with a closing thought related to the importance of this day!

Days like these help us to dig deep into our own history and realize the worth of our ancient culture wherein humanity and care are the basic ingredients of our glorious past.
